BJ Dohrmann and CEO Space are pleased to announce some **EXCITING NEWS** about one of our Members:

Wen Boley, Sticky Sheets, has received his first order from home shopping giant, HSN. He will be launching STICKY SHEETS into 85 million homes on February 1, 2007, at 3:00 pm EST, during the show called, UNIQUE INNOVATIONS, and again on February 2nd, during the 9:00 am hour. Wen has asked Bob Circosta, long time CEO Space instructor, to be the on-air presenter for STICKY SHEETS.

HSN is so excited about Wen and STICKY SHEETS that it has already put STICKY SHEETS on their website, www.HSN.com. HSN regulars will be able to purchase Wen's product before it is even on air. Go to www.HSN.com and type in STICKY SHEETS and it will take you right to his product. Truly a Unique Innovation.

85 million homes and counting. Great job Wen Boley and STICKY SHEETS!! Another CEO Space - IBI success story.
